Fruit baskets are the cost effective way to promote your company's caring image. Ideal for brightening up your reception, conference room or break-out area, our deliciously vibrant baskets offer a very refreshing alternative to flowers. They also give your workforce a healthy and nutritious alternative to junk food and reduce your company's tax bill.

Fruit - makes sense don't you think?

Hassle free regular supply of quality fresh fruit
delivered free to your door, floor or desk!
